Intro

C#m A E...

Verse

C#^m **A**
When the cold comes
E **C#^m**
Pushing down heavy on this town
A **E**
And there's no one around... to keep out the sound

Pre-Chorus

C#^m **A**
That is all in my head, no, it's all in my head
E
I'm holding it back 'til I'm lying in bed
C#^m **A** **E** **B**
That's when all the walls close in on me

Chorus

A **E**
The other side is where I wanna be
A **E**
Leave your words underneath my feet
A **E**
Leave these demons that haunt my street
B **C#^m** **A** **E**
I'll find my way out... and never look back...

Verse 2

C#^m A

As the years go

E

C#^m

You'll grow old before you're told to leave

A

E

I was born just to drown... So, bury my dreams

Pre-Chorus

C#^m

A

That is all in my head, no, it's all in my head

E

I'm holding it back 'til I'm lying in bed

C#^m

A

E

B

That's when all the walls close in on me

Chorus

A

E

The other side is where I wanna be

A

E

Leave your words underneath my feet

A

E

Leave these demons that haunt my street

B

I'll find my way out
