

# Coming Up Roses (Capo 3)

Harry Styles

Key of B $\flat$ , Capo 3

## Verse

**A<sup>m7</sup>**

Tell me your fears

**D**

I've turned back the clocks, it's that time of year

**G<sup>maj7</sup>**

If we stay the course we could get it right

**C<sup>maj7</sup>**

But I'm not devoid of an appetite

**A<sup>m7</sup>**

**D**

And everything seems to be comin' up roses

**G<sup>maj7</sup>**

But I'm scared if we're both right

**C<sup>maj7</sup>**

Does that mean we're not aligned?

## Chorus

**A<sup>m7</sup>**

Just for tonight, let's go hangover chasing

**D<sup>7</sup>**

And I'll talk your ear off about why it's safe

**G<sup>maj7</sup>**

**C<sup>maj7</sup>**

As I fumble my words and fall flat on my face through the truth...

**A<sup>m7</sup>**

Just say the word and we'll take up the test

**D<sup>7</sup>**

Where we flirt with the bad ones and skip all the rest

**G<sup>maj7</sup>**

**C<sup>maj7</sup>**

**A<sup>m7</sup>**

But we see out the night with your head on my chest, me and you... There's only me and

**D<sup>7</sup>**

you...

Verse

**A<sup>m7</sup>**

Now I see your tears on account of my

**D<sup>7</sup>**

wants, and now it appears that I'm feeling

**G<sup>maj7</sup>**

guilty and worried, dear

**C<sup>maj7</sup>**

That you think that I might not want you here

**A<sup>m7</sup>**

**D<sup>7</sup>**

Does all of this seem to be bringing us closer

**G<sup>maj7</sup>**

Or am I back seating you your life?

**C<sup>maj7</sup>**

Judging while you drive

Chorus

**A<sup>m7</sup>**

Just for tonight, let's go hangover chasing

**D<sup>7</sup>**

And I'll talk your ear off about why it's safe

**G<sup>maj7</sup>**

**C<sup>maj7</sup>**

As I fumble my words and fall flat on my face through the truth

**A<sup>m7</sup>**

Just say the word and we'll take up the test

**D<sup>7</sup>**

Where we flirt with the bad ones and skip all the rest

**G<sup>maj7</sup>**

**C<sup>maj7</sup>**

**A<sup>m7</sup>**

But we see out the night with your head on my chest, me and you... There's only me

**D<sup>7</sup>**

and you...
