## Verse

**A<sup>sus2</sup>** **C<sup>maj7</sup>**  
All the pretty girls in the foreground of my mind  
**A<sup>sus2</sup>** **C<sup>maj7</sup>**  
I thought I'd done enough, but they keep moving the line  
**F<sup>maj7</sup>** **C<sup>maj7</sup>**  
I thought I'd found the antidote this time  
**F<sup>maj7</sup>** **C<sup>maj7</sup>**  
I thought I'd found the antidote this time  
**A<sup>sus2</sup>** **C<sup>maj7</sup>**  
All the nights I spent fighting bad thoughts in my room  
**A<sup>sus2</sup>** **C<sup>maj7</sup>**  
Feeling so alone, might as well be on the moon  
**F<sup>maj7</sup>** **C<sup>maj7</sup>**  
I thought I'd found the antidote with you

I thought I'd found the antidote with you

It'll never be the cur e

It'll never be the cure
