

Temper City - Self Aware (Capo 5)

Temper City

Key of C, Capo 5

Intro

Em G C Am

Verse

E^m

No smoke without fire

G

No silence if there's no sound

C

One way or another

A^m

You're going to put me out

E^m

Drinks flowing like water

G

Too drunk to turn off the light

C

Stay under the covers

A^m

Who knows how we'll end the night

E^m

Just don't hang your hopes on me

G

I want to feel something

C

A^m

God you look so pretty when you tell me that you love me

Chorus

C A^m E^m
I wish that I could lie

D C
But my mind gets in the way

A^m E^m
I know you think that I'm

D C
Always way too self aware

A^m
Oh we could never

E^m
Be together

D C
But it's nice to play pretend

A^m E^m
I wish that I could lie

D
But I'm way too self aware

Verse

E^m
Mood swings like the weather

G
Body's Under pressure

C
Oh I love the way you're using your imagination

A^m
Laws of attraction put em into practice

E^m
Just don't hang your hopes on me

G
I want to feel something

C A^m
God you look so pretty when you tell me that you love me

Chorus

C A^m E^m
I wish that I could lie

D C
But my mind gets in the way

A^m E^m
I know you think that I'm

D C
Always way too self aware

A^m
Oh we could never

E^m
Be together

D C
But it's nice to play pretend

A^m E^m
I wish that I could lie

D
But I'm way too self aware

Interlude

C Am Em D (x2)

Bridge

C A^m
Just don't hang your hopes on me

E^m D
I want to feel something

C A^m E^m D
God you look so pretty when you tell me that you love me...

Chorus

C A^m E^m
I wish that I could lie

D C
But my mind gets in the way

A^m E^m
I know you think that I'm

D C
Always way too self aware

A^m
Oh we could never

E^m
Be together

D C
But it's nice to play pretend

A^m E^m
I wish that I could lie

D
But I'm way too self aware (End)
