

Temper City - Self Aware (No Capo)

Temper City

Key of C

Intro

Am C F Dm

Verse

A^m

No smoke without fire

C

No silence if there's no sound

F

One way or another

D^m

You're going to put me out

A^m

Drinks flowing like water

C

Too drunk to turn off the light

F

Stay under the covers

D^m

Who knows how we'll end the night

A^m

Just don't hang your hopes on me

C

I want to feel something

F

D^m

God you look so pretty when you tell me that you love me

Chorus

F D^m A^m
I wish that I could lie

G F
But my mind gets in the way

D^m A^m
I know you think that I'm

G F
Always way too self aware

D^m
Oh we could never

A^m
Be together

G F
But it's nice to play pretend

D^m A^m
I wish that I could lie

G
But I'm way too self aware

Verse

A^m
Mood swings like the weather

C
Body's Under pressure

F
Oh I love the way you're using your imagination

D^m
Laws of attraction put em into practice

A^m
Just don't hang your hopes on me

C
I want to feel something

F D^m
God you look so pretty when you tell me that you love me

Chorus

F D^m A^m
I wish that I could lie

G F
But my mind gets in the way

D^m A^m
I know you think that I'm

G F
Always way too self aware

D^m
Oh we could never

A^m
Be together

G F
But it's nice to play pretend

D^m A^m
I wish that I could lie

G
But I'm way too self aware

Interlude

F Dm Am G (x2)

Bridge

F D^m
Just don't hang your hopes on me

A^m G
I want to feel something

F D^m A^m G
God you look so pretty when you tell me that you love me...

Chorus

F D^m A^m
I wish that I could lie

G F
But my mind gets in the way

D^m A^m
I know you think that I'm

G F
Always way too self aware

D^m
Oh we could never

A^m
Be together

G F
But it's nice to play pretend

D^m A^m
I wish that I could lie

G
But I'm way too self aware (End)
